

Because no one ever wished they'd spent more time painting their home.

*Townhomes at North Raleigh Meadows are available from the \$130's*

The HardieZone™ System with ColorPlus® Technology offers a complete exterior from siding to trim to soffit, in a wide range of colors and all engineered for your local climate. With a 30-year non-prorated limited product warranty, 15-year trim warranty & 15-year finish warranty, it'll be as gorgeous years from now as it is the day it goes on. There are four million U.S. homes with James Hardie siding. Wouldn't it be great if yours were one of them? Visit [www.JamesHardie.com](http://www.JamesHardie.com).

Murdock & Gannon are hands on, local builders who will stop at nothing to ensure the highest quality of materials and construction. That's why they chose authentic James Hardie® siding with a durable, low maintenance ColorPlus® finish for their North Raleigh Meadows townhomes. "We're offering exemplary value for our buyers, and a 15-year finish means the cost of ownership remains low," says Murdock & Gannon co-principal, Steve Gannon.
